One Year Pre-Sixth Form Intensive iGCSE Programme

A one year iGCSE Pre-IB Study Programme (Intensive) which is the perfect preparation for studying for the IB Diploma or A Levels.

Key Features

- Gain invaluable British school boarding experience
- Graduate with up to 9 iGCSEs
- Raise your English language CEFR level by up to two levels
- Enrichment excursions and activities absorbing British culture and heritage
- Small class sizes and a personal tutor

Why choose our study programme?

An intensive study programme for dedicated and talented individuals, with an English language focus, that allows students to achieve up to 9 iGCSEs and extend their CEFR level; a perfect grounding and proven preparation for A Levels or the International Baccalaureate Diploma.

Students choosing this course normally move into mainstream school Sixth Form studies, where our careers service guides candidates towards some of the top universities in the UK.

Instant Online Reporting for Parents

Each half term parents can view a progress report on academic performance and effort. This valuable line of communication gives parents the opportunity to support their son or daughter and gain an insight into their lives by sharing academic successes or academic challenges.

Boarding Life

Students are fully integrated into British culture and the life of the school:

- Living with their school friends in a home from home environment within one of our six boarding houses
- Enjoying our fantastic facilities on campus including the multi-purpose sports centre, music school, dance studio and many outdoor areas
 - Participating in our sports and diverse co-curricular programme with over 50 activities to choose from
 - Weekly boarders trips - Our close proximity to London provides the perfect opportunity to explore and discover some of the UK's most popular sights and historic hotspots
